

## **BIGGER: Message Discussion Questions**

### **WEEK 1**

#### **Opening Discussion:**

1. Share a time when you faced something that seemed impossible. How did you handle it?

#### **Key Takeaways:**

1. God is bigger than any impossibility we will ever face.
2. Replacing God with "small g gods" or temporary fixes always leads to disappointment.
3. Our relationship with God can always be repaired, no matter how broken it may seem.
4. Trusting God completely means believing there are no other options.

#### **Discussion Questions:**

1. In the story of Elijah and the prophets of Baal, what stands out to you most? Why?
2. In what ways have I tried to keep "backup gods" or other sources of security in my life besides God?
3. Consider the idea of "repairing the altar of your heart." What does this mean to you practically?
4. Ephesians 3:20, Jeremiah 33:3. How often do I pray boldly, believing God can do more than I ask or imagine? Have I asked Him to?
5. How can we distinguish between using God-given resources and making those resources into idols?
6. What are some areas in your life where you struggle to believe God can do the impossible?

#### **Practical Applications:**

1. Identify Your "Backup gods": Take time this week to reflect on what you tend to turn to instead of God when facing challenges.
2. Choose one area of your life where you've neglected your relationship with God and take a step to "repair the altar" (e.g., dedicated prayer time, Bible study, act of service).
3. Write down one "impossible" situation in your life and commit to praying about it daily, trusting in God's power.
4. Share with a partner one way you want to trust God more fully this week and ask them to check in with you.

**Pray Together:** Close by having group members pray for each other's "impossible" situations, affirming God's power and trustworthiness.
